Applicants will receive formal notification about their membership status from the Membership Chair after their application has been reviewed. Please allow several weeks for this process. VIP reserves the right to deny a membership application and will advise the applicant if this is the case.

Please enclose a check payable to Versatility In Poodles, Inc., for \$30.00 US (\$30.00 in US funds if foreign except if Canadian- see below) (\$5.00 in US funds if you are already a VIP Newsletter subscriber).

A **family membership** (\$40 US, \$40 foreign) covers two adults living at the same address. If applying for a family membership, each applicant should complete an application. Both applications should be mailed together along with the dues. A family membership allows for either one hard copy and an email copy of the newsletter, or two email copies of the newsletter.

Canadian membership applications should be sent to Eleni Stevens with Canadian funds of \$30.00 unless you are already a newsletter subscriber, then send \$15.00 in Canadian funds.

If a member has email, VIP prefers to send the newsletter by email to save on printing and postal costs. This savings allows us more funds for research. Please indicate how you prefer to receive the VIP newsletter:

- _____ By email (at no additional charge)
- _____ By USPS (If you wish to receive a printed mailed copy, add an additional US\$16.00 to the above fees)
